

BYATT'S BREWHOUSE BAR

★ BEER TASTING

£18 per person

DO YOU LIKE DRINKING BEER? Are you a craft ale fan? If you love trying and testing new beers (and let's face it, who doesn't!) why not book one of our fantastic new beer tasting sessions! Book a night in our brand new brewhouse bar and come and sample a range of Byatt's beers AND some selected guest bottled beers.

Work your way through a selection of 8 fantastic quality beers (third of pint measure) whilst getting an understanding of how our beers are actually made and discover all the different styles of beer.

Let's face it, the best type of nights out include the word 'beer' and we love having fun with our tastings and our guests to ensure you have a great evening!

If you fancy a night out with a difference why not give us a try! Our tasting sessions are also available to book for private parties minimum 15 and maximum 30 people.

Please note tastings are for years 18 and over. Food is not included, bar snacks are available to purchase from the bar. Tastings must be booked in advance with the brewery
