

BYATT'S BREWHOUSE BAR

★ BEER TASTING

£18 per person

DO YOU LIKE DRINKING BEER? Do you consider yourself a beer buff? We take our brewing AND our beer VERY seriously and pride ourselves in the overall tastes and flavours of all our beers and you are cordially invited to wet your whistles with us and a selection of 8 of our fantastic, quality beers!

If you're a fan of our beers and keen to learn more and try out new flavours our tasting sessions are right up your street. You'll get to work your way through a platter of gorgeous, third pint measures and get a beer education at the same time! You'll learn more about how we brew each of the beers and why and we love having fun at our tastings so can promise an excellent night out.

If you fancy a night in with us at our Brewhouse why not give us a try. Our tasting sessions are also available to book for private parties (minimum 12 and maximum 25) so great for a works night out, birthday treat or group party.

Beer is the word - Join our experts for a 'beery good time!'

Please note tastings are for years 18 and over. Food is not included. Tastings must be booked in advance with the brewery
